Mr. Brass asked for questions, comments or corrections on the minutes from the Budget and Finance Committee Meeting held on May 14, 2013. Mr. Stam had one correction on page 22 at the bottom of the page regarding water. It states both chlorine and fluoride several times, but chlorine was never discussed, it was only fluoride. Mr. Stam said that the word fluoride should replace the word chlorine in that paragraph on page 22. Mr. Brass asked for any other changes. Mr. Brass asked for approval on the minutes with the above corrections. Mr. Shaver moved to approve. Mr. Hales seconded the motion, which passed unanimously.
