Council Action Request

Municipal Building Authority Meeting

Meeting Date: November 14, 2023

Department Director Brenda Moore Phone # 801-264-2513 Presenters Brenda Moore	Purpose of Proposal Public Works Bond Parameters resolution Action Requested Business item: Consideration of the Bond Parameters Resolution Attachments Draft of meeting power-point presentation Draft of the resolution Budget Impact Description of this Item On May 16, 2023 a public works needs assessment was presented to the council. The needs assessment determined that the public works area as configured now, and with the current buildings is barely meeting current needs and will not meet future needs. After weighing all the options with council, staff recommended option A, which includes building a new admin building instead of remodeling the current building. After consultation with our bond financial advisor It was determined lease revenue bonds would be the best way to finance the project. All public works funds will contribute to the rent/bond payment
Required Time for Presentation 30 minutes Is This Time Sensitive No Mayor's Approval  Date October 30, 2023	

Continued from Page 1:

This resolution authorizes the MBA to issue bonds, within the parameters outlined below, to pay for the construction of new buildings and site improvements for public works. It sets a date for a public hearing on the bond issuance (December 6, 2023) , and authorizes the MBA and City to enter into the appropriate Ground and Building leases.

The bond parameters summary: (The maximum we could possibly do)

Principal Amount : \$25,000,000

Maturity in Years: 26 years

Sales Price: 98% (meaning you won't discount more than 2%)

Interest Rate: 6.5%

Designated Officer: The Finance Director, Chair/President or Vice chair/vice president would be authorized to execute the contracts, leases and agreements necessary to Issue the City halls bonds at any level below the bond parameters listed above.

The bonds will be sold in calendar 2024, which is why they are referred to as series 2024. They are also cross collateral with the city hall bonds, so if we don't pay on one either bond both buildings can be repossessed.

The City is using Stifel Public Finance as financial advisors and Gilmore & Bell as bond counsel on this debt issuance project.

This also includes a certification that the Utah opens records act was followed, and will be followed for the Public hearing. It also includes the notice for the public hearing.

WHEREAS, in order to allow the Authority (in consultation with the Authority’s municipal advisor (the “Municipal Advisor”), flexibility in setting the pricing date of the Series 2024 Bonds to optimize debt service costs to the Authority, the Governing Board desires to grant to any one of the following: Chair/President, Vice Chair/Vice President or, the City Finance Director (the “Designated Officers”), the authority to approve the final interest rates, principal amounts, terms, maturities, redemption features, and purchase price at which the Series 2024 Bonds shall be sold, to select the Underwriter thereof, and any changes with respect thereto from those terms which were before the Governing Board at the time of adoption of this Resolution, provided such terms do not exceed the parameters set forth for such terms in this Resolution (the “Parameters”); and

WHEREAS, there has been presented to the Board at this meeting a certificate demonstrating that the useful life of the Project exceeds the final maturity of the Series 2024 Bonds, attached hereto as Exhibit H.

NOW, THEREFORE, it is hereby resolved by the Governing Board of the Municipal Building Authority of Murray City, Utah, as follows:

Section 1. Terms defined in the foregoing recitals hereto shall have the same meaning when used in this Resolution.

The issuance of the Series 2024 Bonds shall be subject to the final approval of Bond Counsel and to the approval of the Attorney for the Authority.

Section 3. The final interest rate or rates for the Series 2024 Bonds shall be set by the Designated Officers, in consultation with the Municipal Advisor, at the rate or rates which, taking into account the purchase price offered by the Underwriter of the Series 2024 Bonds, will in the opinion of the Designated Officers and the Municipal Advisor result in the lowest cost of funding reasonably achievable given the manner of offering the Series 2024 Bonds at the time of the sale of the Series 2024 Bonds, as evidenced by the execution and delivery of the Bond Purchase Contract.

Section 4. The form of the Indenture attached hereto as Exhibit B is in all respects hereby authorized and approved, and the Chair/President or Vice Chair/Vice President and Secretary-Treasurer is hereby authorized and directed to execute and deliver the same on behalf of the Authority.

The Designated Officers are each hereby authorized to select the Underwriter and to specify and agree as to the final principal amounts, terms, discounts, maturities, interest rates, redemption features, and purchase price with respect to the Series 2024 Bonds for and on behalf of the Authority, provided that such terms are within the Parameters set by this Resolution. The execution of the Bond Purchase Contract will signify the approval of the Designated Officers.

Section 6. The Lease, the Ground Lease, and the Security Documents, in substantially the respective forms presented to this meeting and attached hereto as exhibits, are in all respects approved, authorized and confirmed, and the Chair/President or Vice Chair/Vice President and the Secretary-Treasurer are hereby authorized and directed to execute and deliver the same on behalf of the Authority.

Section 7. The Designated Officers of the Authority are authorized to make any alterations, changes or additions to the Indenture, the Bond Purchase Contract, the Preliminary Official Statement, the Official Statement, the Lease, the Security Documents, the Ground Lease, the Series 2024 Bonds, or any other document herein authorized and approved which may be necessary to conform the same to the final terms of the Series 2024 Bonds (within the Parameters set by this Resolution), to correct errors or omissions therein, to complete the same, to remove ambiguities therefrom, or to conform the same to other provisions of said instruments, to the provisions of this Resolution, or any resolution adopted by the City or the Authority, the agreements with the Underwriter or the provisions of the laws of the State of Utah or the United States.

Section 8. The Authority hereby authorizes the utilization of the Preliminary Official Statement, in the form attached hereto as Exhibit G in the marketing of the Series 2024 Bonds and hereby approves the Official Statement in substantially the same form as the Preliminary Official Statement.

Section 9. The form, terms, and provisions of the Series 2024 Bonds and the provisions for the signatures, authentication, payment, registration, transfer, exchange, redemption, and number shall be as set forth in the Indenture. The Chair/President or Vice Chair/Vice President and Secretary-Treasurer are hereby authorized and directed to execute and seal the Series 2024 Bonds and to deliver said Series 2024 Bonds to the Underwriter. No provision of this Resolution, the Indenture, the Bond Purchase Contract, the Lease, the Security Documents, the Ground Lease, the Series 2024 Bonds, or any other instrument, shall be construed as creating a general obligation of the Authority or the City or of creating a general obligation of the State of Utah or any political subdivision thereof, or as incurring or creating a charge upon the general credit of the Authority or the City or its taxing powers. The Authority has no taxing power.

Section 11. The Designated Officers and appropriate officials of the Authority, and each of them, are hereby authorized and directed to execute and deliver for and on behalf of the Authority any or all additional certificates, documents and other papers and to perform all other acts they may deem necessary or appropriate in order to implement and carry out the matters authorized in this Resolution and the documents authorized and approved herein.

Section 12. After the Series 2024 Bonds are delivered to the Underwriter, and upon receipt of payment therefor, this Resolution shall be and remain irrevocable until the principal of the Series 2024 Bonds is deemed to have been duly discharged in accordance with the terms and provisions of the Indenture.

Section 13.
