

# MURRAY

CITY WATER

## OVERVIEW

Murray City has contracted with VanCon Construction to replace and upgrade the water line along State Street between 5300 South and 4500 South. This project will improve infrastructure and increase water capacity.

Construction will begin as early as mid-April and continue through August 2020. Work is planned to start at 4500 South and move south toward 5300 South.

*Construction schedules are subject to change.*

## WHAT TO EXPECT

- Day and night work, five days a week
- Occasional weekend work
- Lane closures overnight and during off-peak hours
- Short-term driveway impacts
- Increased noise, dust and vibration
- Temporary, short-term water impacts
