Remove Your Cans from the Street after Collection

Salt Lake County Health Department Sanitation Regulations (Regulation #7, paragraph 4.3.2) state that “containers shall not be set out on the street prior to the evening of the day before the scheduled collection. All containers shall be removed from the street the same day they are emptied.” Please keep your neighborhood streets clean by quickly removing your waste/recycle/green waste/glass cans from the street and public access ways after collection.

Plastic Bags

We are still seeing lots of plastic bags in the curbside recycle cans. We ask all residents to keep plastic bags and all thin film plastic materials out of the blue recycle cans. These bags create a lot of problems at the recycling processing facility.

Mattress Recycling

Spring Back Mattress (at 1929 South 4130 West) will take your used mattresses, and will recycle 100% of its materials! The recycling fee for mattresses or box springs is \$20 per piece. They will also come pick up your mattress for an additional \$40. This is a much better option than sending it to the landfill for \$15 per piece. For more information, please call them at 801-906-8146 or visit them at www.springbackutah.com.
