

October 2020 Updates from the District

Fall Leaf Collection

The annual Fall Leaf Collection Program will begin on October 15 and last through November 30.

During this time, WFWRD customers in Murray can pick up leaf bags at:

- Holladay Lions Fitness Center: 1661 E. Murray Holladay Blvd.
- Mt. Olympus Senior Center: 1635 E. Murray Holladay Blvd.

Leaf Bags can be dropped off at:

- Cottonwood Ball Complex: 4400 S. 1300 E. (*north side only*)

WFWRD leaf bags are limited to 10 bags per household, and available while supplies last. Residents can also use and drop off their own purchased leaf bags or lawn bags, as long as they only contain leaves. Please see our website at wasatchfrontwaste.org for District-wide drop-off locations.

Sharps Containers

There are many medical conditions which require the use of lancets or needles. Due to the extreme health and safety hazards these items pose, it is important to remember that these items should never be placed loosely in your garbage can, but should be disposed of in a properly identified sharps container. Also, these items, including sharps containers, are not recyclable and should never be placed in your blue recycle can. For more information, you can contact the Salt Lake County Health Department (385-468-4100 / slco.org/health) on proper disposal of these and other hazardous materials.

Cart Placements

Please remember to keep your garbage/recycle/green carts at least three feet away from each other and from other objects, such as cars, trees, or mailboxes. This space is needed for the automated collection arms on our trucks to safely grab and empty the carts.
