2021 Rates & Fees

WFWRD’s Administrative Control Board approved our Budget & Fee Schedule for 2021. The base fee for residential services will remain at \$17.00 per month (\$204.00 per year). Although there is not a fee increase to the residential base fee, the following has been approved for 2021:

- Subscription Curbside Green Waste fees will increase from \$9.50 per month to \$10.50 per month, for the first can. (Fees for additional Green Waste cans will remain the same.)
- Bulk Trailer Rental fees will increase from \$145.00 to \$175.00, for up to two tons. Over two tons will increase from \$35.00 per ton to \$45.00 per ton.

All of these fee increases are due to continually increasing disposal and operating costs. A complete listing of rates & fees, along with our budget presentation, can be found on our website, at: <https://wasatchfrontwaste.org/rates-fees>. You can view a recording of the Public Hearing on our [Facebook](#) page.

We will be collecting Christmas trees during the month of January. For collection, place your undecorated tree on your curb. The trees will be collected the day after your regular collection day during the month of January. If we don't get your tree one week, we will be back the following week. Please call our office, or chat with us on our website for additional information.

- Please remove all snow off the tree
- We cannot accept trees with decorations, lights, tree stands or flocking.
- Do not place the tree in your garbage, recycling, or green waste can.
- If the tree is over eight feet tall, please cut it into smaller sections.
- We cannot accept artificial trees
