

Murray City Corporation

Fire Department

4848 South Box Elder Street – Murray, Utah 84107

(801) 264-2780

Recreational Fire Pit Guidelines

1. Keep 25 ft. of distance between the fire pit and any structures and/or other combustible materials.
2. Fire pit should not exceed 3 ft. in diameter.
3. 18" non-combustible surface around pit.
4. Have an on-site means of extinguishment for the fire.
5. City Ordinance prohibits the fire if it creates a public nuisance.
6. Fire needs to be constantly attended by an adult.
7. Owner/operator is liable for any fire damage resulting from the use of the fire pit.
8. No overhead obstructions.
9. Check the burning conditions with the Salt Lake Valley Health Department 313-6600.
10. Call the fire department prior to event. Name, address and duration.
11. Murray City Fire Prevention, 801-264-2780.
12. A permit for single family residences is not required.
13. Make sure the fire is out completely when you are done using it.
14. City Ordinances do not allow open burning of combustible waste.
15. Violators may be prosecuted with Class A, B or C misdemeanor.

Be Careful!!!
