

## Dear New Residents and Business Owners,

Welcome to Murray City! We are thrilled to have you join our vibrant community. As a newly annexed area, you are now an integral part of our city's future, and we are committed to ensuring a smooth and enjoyable transition for you and your neighbors.

### Annexation Background

On December 3, 2024, the Murray City Council adopted Ordinance 24-32, officially annexing real property located between approximately Van Winkle Expressway to 900 East and 4800 South to the Boundary of Murray City at 4840-4890 South.

A majority of the property owners in this area signed a petition, accompanied by an accurate plat prepared by a licensed surveyor, to the City Recorder. The petition, representing more than one-third (1/3) of the property's assessed value, met all requirements under Sections 10-2-403(2), (3), and (4) of the Utah Code. After a thorough review and certification process, including notifications to affected entities, no protests were filed, and the annexation was successfully completed.

### Effective Date of Annexation

Per State Code § 10-2-425, the effective date of the annexation will be **July 1, 2025**.

### What This Means for You

Starting **July 1, 2025**, you will enjoy all the benefits of being a resident or business owner in Murray City, including access to city services, infrastructure improvements, and community programs. We encourage you to familiarize yourself with the city's resources and participate in upcoming community events.
