

Halloween Scares at The Murray Theatre  
By: Mabel Hess (Age 7)

Creepy skeletons are creeping towards you. Ghosts are howling.  
It gives you a scare!  
There are cobwebs everywhere, and spiders that scare.  
The old marquee flickers. The old movies that used to make you laugh now make  
spooks and shivers.  
It gives you a scare!  
We walk on a dusty floor and sit on creaking chairs.  
And it gives you a scare!  
Spiders crawling in your popcorn. Ghosts come out of the projector.  
There are spirits of all the people who were there.  
The shadows dancing on the screen like goblins. It is dark everywhere.  
There are eyeballs floating in your drinks!  
It gives you a scare!
