

Murray City's Adopted Budget

MURRAY

Fiscal Year 2017

**MURRAY CITY MUNICIPAL COUNCIL
INTENT FOR THE FISCAL YEAR 2016-2017 BUDGET**

The Murray City Municipal Council (the “Council”) adopts the City’s final budget (the “Budget”) for fiscal year 2016-2017. Under Utah law, the Council has policy making authority and responsibility. The Budget is a means by which the Council directs City policy. The City Administration (“Administration”) must, therefore, implement the Budget consistent with the intent and general policy direction of the Council. The following are the Council’s intent and general policy direction underlying the adoption of the Budget.

EMPLOYEES

The Council recognizes that the City employees provide outstanding service to both residents and businesses in our community. The Council acknowledges the experience, knowledge and expertise of City employees, and their dedication to excellence.

The budget is intended to provide the tools, equipment and facilities the City employees need to perform their jobs. Further, the budget recognizes the importance of training opportunities for employees. The City intends to promote a work environment that is safe and conducive to a close knit organization.

Funds for an Increase in Employee Compensation

The Council has included in the Budget funds for an increase in employee compensation. The funds appropriated are based on a 1% cost of living and a 4% merit based increase for eligible employees who are not redlined. The Mayor shall determine the criteria for the merit based increase. Funds are appropriated for employees who are redlined based on a 1% cost of living and a \$750 one time annual adjustment.

Wasatch Compensation Survey

The Council understands that implementing specific compensation is within the purview of the Mayor. The Council further understands that the Mayor will review the Wasatch Compensation Survey annually and make salary adjustments to be competitive, within the confines of the budget.

Review of the Mayor’s Compensation

The Council wants to study the Mayor’s compensation to determine if it is within the market for mayors throughout the Wasatch Front. The Council wants to begin this study as soon as possible. For purposes of the study, the Council will use the City’s human resource office or an independent consultant. Based upon the study, it is the intent of the Council to make any necessary adjustments to the Mayor’s compensation relative to the market through enactment of an ordinance amendment. Any increase in the Mayor’s compensation will need to be funded internally within the Mayor’s budget without additional appropriation.

Employee Health Insurance Benefits

The Council intends to fund the Public Employees Health Plan cost increase of approximately 3.5% more than the previous year. The City will continue to cover 85% of the total health care expense and employees will pay 15%.

The Council intends that an Opt-Out program shall be continued to provide a rebate to those employees who do not utilize the City's health insurance program.

UTOPIA/UIA

UTOPIA/UIA continues to be one the most difficult problems facing the City. The Council recognizes that the City needs to meet its long term obligations under certain bond covenants. It is not the intent of the Council to make any loans or other payments to UTOPIA/UIA (sometimes referred to as "OpEx"). There are no appropriations in the budget for such payments. Further, "OpEx" should not be paid indirectly through the waiving of fees owed to the City by UTOPIA/UIA. The Council does not intend to support any other efforts by UTOPIA/UIA to bond.

NEW CITY HALL

The Council supports the construction of a New City Hall. Understanding the respective roles of the Redevelopment Agency and the Mayor, the Council believes a New City Hall is necessary given the condition of the existing City Hall. The Council did not appropriate funds for bonding of the New City Hall because it is anticipated that construction of the New City Hall would not begin in Fiscal Year 2016-2017. If, however, the New City Hall is ready for construction in Fiscal Year 2016-2017, it is the intent of the Council to consider a budget amendment to provide for bonding to fund construction of the New City Hall.

DOWNTOWN DEVELOPMENT

The City is now a center for major medical and health care facilities. The Council recognizes that the City will be identified with the medical and health services. The Council supports promoting the City as a center for health and medical services and views the City as a place that is in line with Intermountain Health Care's motto of "healing for life".

As a result, the Council intends to support decisions, through the budget, that promotes the City as a walkable community with trails and other connectivity. It supports efforts to improve air and water quality, and wants to accommodate those who are in the community for medical and health care. The Council also encourages sustainability concepts in future growth and development.

The Council recognizes that the downtown development is a unique opportunity to impact the City for years into the future. It is the intent of the Council to be involved and encourage thorough discussion and review on all decisions regarding the downtown development. Public input is essential.

To the extent the Council is involved, it wants a downtown development that reflects the City's commitment to its identity as a center for medical and health services. The elements of walkability and connectivity are critical. The Council wants an urban environment where the residents can live, work and play in the downtown area.

The Council prefers owner occupied housing. It is the intent of the Council to have the development reflect the historic character in the area while creating a downtown that will be vibrant and a destination place. It is important that there is a proper balance between development and the protection of our neighborhoods.

PUBLIC SAFETY

The City feels strongly that City public safety personnel are best able to provide the level of service essential for City residents and businesses. It is the intent of the Council to support adequate staffing, equipment and funding for City public safety departments. As residential and business development increases and our community health care industry attracts additional workers and clients it is imperative that the City maintains the high level of public safety services it currently provides.

CAPITAL IMPROVEMENT PROGRAM

As part of the Murray City Strategic Plan, a Capital Improvement Program (CIP) is an essential component to the implementation of the City Budget by planning, prioritizing, budgeting and financing capital needs. The CIP involves a five year period, or beyond, of capital projects in the areas of facilities, technology, and maintenance and vehicle replacement. Capital projects have been identified for the Fiscal Year 2016-2017 City Budget Capital Projects Fund in the amount of \$5.2 million.

FUNDING FOR TRAILS

The Council has approved the roll-over of funds of approximately \$180,000 from the Fiscal Year 2015-2016 budget to the Fiscal Year 2016-2017 budget to partially fund the construction of a trail between Wheeler Farm and Fontaine Bleu Drive. The Council has not appropriated additional funds for the trail because the City has not yet negotiated an agreement with Salt Lake City for an easement along a canal owned by Salt Lake City. If the City is able to negotiate a mutually satisfactory agreement with Salt Lake City for an easement including the maintenance of the canal, the Council will consider a budget amendment to appropriate the remaining funds for construction of the trail.

DEPARTMENT BUDGET SAVINGS

The Council wants to provide Departments an incentive to find ways to reduce costs without adversely affecting the quality of City services. Therefore, if, at the end of fiscal year 2016-2017, the City Finance Director determines that a Department has under spent its budget, 75 percent of the savings shall be allocated to the CIP to be used for the capital needs of that Department in the 2017-2018 fiscal year, provided, however that the

allocation shall only be made if the General Fund Reserves on June 30, 2017 are at least 16.5% of the General Fund budget.

GENERAL FUND RESERVES

It is the intent of the Council to maintain General Fund reserves at 16.5% from whatever sources become available. If, however, it becomes necessary to expend some of the fund reserves, the City shall restore reserves to the 16.5% percent as soon as possible. The Council has appropriated approximately \$2.8 million of reserves to pay off the 2007 bonds. This will facilitate the ability of the City, if it deems it necessary, to convey or exchange City property for purposes of the downtown development.

ENVIRONMENTAL EDUCATION

It is the intent of the Council to have an educational process implemented for City residents and businesses in responsible care of our environment and conservative use of resources. The Council recognizes that environmental issues permeate our lives and routines and want to promote, encourage and model conservation and eco-friendly practices in the City operations. Developing environmental policies and programs shall be pursued to ensure that the City becomes a leader in sustainability and conservation.

The Council wants to provide residents with information relating to improving air quality; water and power conservation; reuse, recycling, waste reduction and responsible disposal of hazardous materials. Building techniques should be encouraged for developing high-performance, sustainable buildings.

CLEAN ENERGY VEHICLES

It is the intent of the Council to proactively support environmentally responsible contributions to clean air. In vehicle purchases, City employees are strongly encouraged to investigate alternative fuel engines that contribute lower amounts of particulate pollution into the air.

APPROPRIATIONS AND WAIVING OF FEES FOR NON-PROFIT ENTITIES

As part of the budget, the Council has approved funding or waiver of fees for specified non-profit entities. Given the budget constraints, the Council does not intend to provide funds or waive fees for non-profit entities that are not specified with the budget unless there is a compelling reason to do so.

USING TECHNOLOGY TO IMPROVE THE CITY'S INTERACTION WITH THE PUBLIC

The Council recognizes the need of the City to use the latest technology and innovations to help citizens more easily and quickly obtain City services and information, enhance transparency and accountability and promote citizen participation in City government. It is the intent of the Council to study the City's needs regarding the latest technology and innovations in order to determine future funding necessary to meet those needs.

ROAD IMPROVEMENTS

The Council funds road projects from Class C, sales tax and Capital Improvement Program resources in the amount of approximately \$1.9 million. The Council intends to work with City administration to prioritize roads to be improved.

TRANSFER TO THE MAYOR ALL FUNDING FOR RETAINING AND DIRECTING CITY LOBBYISTS

In prior years, the Council has hired its own lobbyist to represent the City on State legislation. The Mayor would also retain lobbyists. The Council now believes it would be more efficient and effective if the Mayor directs all lobbyists for the City. The Council has appropriated \$40,000 to the Mayor's budget to be used as the Mayor deems necessary for the City's lobbying efforts. The Council budget has no funding for lobbyists.

NO FUNDING FOR CITY MUSEUM STAFF

The Council did not provide funding for City Museum staff based on input from the Public Services Department that it is contemplating a staffing change affecting the manner in which the art and history programs will be managed in the future. It is the intent of the Council to review, at mid-year, the status of the City Museum.

COTTONWOOD HIGH SCHOOL BANNERS

The Cottonwood High School Community Group ("Community Group") requested the Council to appropriate funds for banners to be located on telephone poles owned by Rocky Mountain Power along 1300 East to promote Cottonwood High School. The Council has appropriated in the Fiscal Year 2016-2017 budget \$2500 to be used by the Community Group as matching funds for banners and telephone pole brackets provided however that funding is contingent upon the City negotiating a mutually satisfactory agreement with Rocky Mountain Power to use its telephone poles for this purpose. Murray City Power is willing to install the banners at no cost to the Community Group subject to limitations as determined by the Murray City Power Department General Manager.

Murray City's Budget in Brief

The budget document is accessible in electronic form on the City's website. The City hopes individuals will find the budget document to be user friendly and informative. The document can be navigated using the PDF bookmarks for each major section. The budget has four different levels of detail: the total combined budget; budget totals by fund; budget totals by department; and line item description. At the beginning of each department section the City has added budget summaries with expenditure categories to show changes over the prior year's budget. In addition, many departments have provided a narrative of their budget changes. At the account detail level, City departments have provided, in many instances, an explanation for the budget change. The City hopes this document provides greater communication and transparency to our citizens and leaders.

Budget Approach

1. The City uses Target Base Budgeting which is a method of budgeting that identifies overall expenditures for an agency or unit based on the estimated revenue available to Murray City. This method allows control to be imposed at the Mayor and Council levels while allowing decentralization and flexibility at the City Department levels.
2. Operational budgets were asked to stay flat. Line item adjustments came from within the department and by re-allocation of budget resources. In some instances budget increases were necessary. The total increase in the General Fund's budget less use of reserves is \$1.7 million or 3.85 percent.

City Revenue Budgets

- The City's financial policy when budgeting for revenue is to have conservative and attainable budget amounts
- The City's enterprise funds are supported by the utility revenue collected for service
- The .2% sales tax revenue is estimated to produce \$3,500,000, of this amount \$3,150,000 will be used for capital improvement projects and the remaining amount will go toward payroll
- Other significant increases in the General Fund revenue budget is from the City base 1 percent sales tax of \$1,466,000, transient room tax \$64,500, ambulance \$110,000, Class C road \$100,000, and administrative fees \$84,000
- There were some decreases in revenue that are of note, justice court fees of \$235,000, natural gas franchise taxes of \$120,000, franchise fee telecommunication \$70,000, transfers \$62,000
- The General Funds revenues are expressed in percentage form in the chart below

Operational Budget Notes

- The economic incentive for local businesses was continued

Personnel Changes

- The General Fund includes 284 of the City's 393 employee, no new positions were added
- Proposed employee compensation increases are 1% COLA, 4% merit, and adjustments
- Insurance rates increased by approximately 3.5%, but with the City's insurance opt out program the dollar increase with insurance costs was only \$12,400
- Retirement costs stayed relatively flat, Utah Retirement System does not have any retirement rate increases scheduled
- Increase in personnel costs for the City are approximately \$1.1 million dollars over the prior year

Informational Employee Items:

- Employee Holiday Bonus - \$100 per employee (\$60,000)
- Employee Appreciation Day - Ice Cream lunch (\$1,000)
- Employee Holiday Time Off - Including December 26th as the 25th occurs on a Sunday. Adjustments made to those who need to work shifts by department
- Floating holidays for employees are currently at 24 hours. Floating holiday hours expire and reset annually on the calendar year. They have no dollar value attached

Capital and Use of Reserves

Capital Projects Fund

The Capital Projects Fund's budget is funded by the prior year General Fund budget savings program. This program allows City Departments to save budget or one-time money from operations to be used for one-time purchases in the next fiscal year. In fiscal year 2017, funding for the Capital Project Fund is also provided by the .2% sales tax increase. Some of the projects are as follows:

- Amphitheater remodel \$2,500,000
- Class C road, CIP road, and road savings projects \$1,900,000
- Splash pad \$725,000
- Police vehicles \$350,000
- Fire station land \$400,000
- East Murray Trail \$240,000
- Refurbish ambulance \$185,000
- Murray Park vita course \$100,000

Enterprise Fund

- Water projects \$1,250,000
- Waste Water projects \$500,000
- Power projects \$895,000
- Murray Parkway Golf Course Irrigation System \$2,000,000

General Fund Use of Reserves

- The General Fund is scheduled to use approximately \$2.8 million of reserves in fiscal year 2017 to pay off the 2007 Sale Tax Revenue Bonds

General Fund Transfer to Capital Projects

In compliance with Utah State Code Section 10-6-116(2), Council authorizes the City Finance Director to move General Fund reserves to the Capital Projects Fund if the General Fund's reserves are in excess of the 16.50 percent.

Budget Outlook

The City was able to balance all of the operating budget cost increases with conservative revenue budgets. The City continues to benefit from a growing Utah economy. With this growth, sales tax revenue has shown continued increase over the last two years. The Library and the Storm Water Funds are the two most financially challenged Funds in the City. The Library was able to balance its budget with help from the General Fund by taking on one of the Library's employees. The Library is primarily fund with property tax revenue. Property tax revenue only increases with new growth in the City or a tax increase. Since Murray City is mostly built out, a property tax increase is one of the few ways to maintain the current level of service our citizens have come to expect from their Library. This will need to be considered in future years. The Storm Water Fund is a challenge to balance with the present revenue. The budget is very inadequate when considering the potential future capital projects. All things considered, the City will continue to make the difficult decisions to balance the budgets with the resources our citizens have provided and to maintain a sound financial position.

In summary, the Council, Mayor, and staff have provided a balanced and sustainable budget for citizen consideration.

If anyone has questions on the budget please feel free to contact Justin Zollinger, Finance Director, at 801-264-2669 or by email jzollinger@murray.utah.gov.

Budget Addendum Fiscal Year 2017

Public hearings are required before the City is able to waive fees, donate or provide funds or property to non-profit entities. (To provide property or funds to for-profit entities, the City must receive value for value.) In an effort to avoid the need for separate hearings throughout the year, I am requesting that these annual or one-time requests we are aware of, be handled as part of the City Budget process. This will save budget dollars on notice costs and administrative time. It is my hope that during this budget process, we can agree on these requests that we identify. Other items are also listed here for your review. Thank you for your consideration.

Murray Education Foundation - Waiving Golf Cart Rental Fees for annual tournament at Murray Parkway Golf Course, Project Graduation for free golf rounds (\$1,400)

Murray City Utility Relief Program - Reducing fees for City utilities for low income residents based on HEAT qualifications

Veterans - Provide funds for flags for graves and waive park fees for American Legion Easter Egg Hunt

Farmer Market - Waiving facility rental fees for Farmers Market (\$2,000)

Homeless Services - supported through Council of Governments for Salt Lake City (\$16,361)

Council of Governments (COG) - annual assessment (3,257)

Utah Food Bank Donated Meat Program coordinated by Jim Bradley (\$500)

Cultural Arts - Provides tickets to some agencies for dollar-for-dollar trades to promotion events. Services include on-air radio advertising, Valley Journal ads. Cultural Arts also provides tickets to volunteers for help with events. Value of these items is (\$2,500)

Library Food for Fines week in November (\$1,000), Read Down Your Fines - Summer Reading Program (\$1,000)

Boys and Girls Club of Murray - donation (\$75,000)

Mayor's Scholarship - Awarded to two senior high students, one from Murray High and one from Cottonwood High, in the amount of \$1,000 each (\$2,000)

Miss Murray - Awarded each year to the Murray City Pageant winner (\$5,500)

Youth Chamber of Commerce - \$2,500 for Chamber activities

Cottonwood High Banners - \$2,500 for banners plus City provided labor to hang them

Grants approved by Murray Arts Advisory Board for the upcoming year paid to:

Murray Symphony - \$2,500

Murray Concert Band - \$2,500

Murray High Art Fest - \$1,000

Murray Schools Music Specialist - \$40,000

MURRAY
CITY
COUNCIL

City Council Budget Summary

Council	Fiscal Year 2016	Fiscal Year 2017
Wages & Benefits	293,764	311,163
Operations	49,100	65,600
Utilities	5,200	5,200
Assessments	0	0
Capital	0	0
Contractual Services	48,000	9,500
Total Council	396,064	391,463

Wages and Benefits - Increase as approved by mayor and council. Budget includes family group healthcare insurance for two council members.

Operations - The Travel & Training budget was raised by \$12,000 to allow for all council members to attend one National League of Cities Conference each year. The Meals budget was raised by \$4,500 to provide meals to council and involved department staff on council meeting nights.

Contractual Services - The Professional Service budget was raised by \$1,500 to cover the council meeting video streaming, which has been slightly higher than originally anticipated. The Professional Service budget also includes the expense for a lobbyist.

MURRAY
MUNICIPAL
JUSTICE COURT

Justice Court Budget Summary

Justice Court	Fiscal Year 2016	Fiscal Year 2017
Wages & Benefits	991,340	930,821
Operations	297,169	301,269
Utilities	11,500	11,500
Assessments	910	943
Capital	0	0
Contractual Services	0	0
Total Justice Court	1,300,919	1,244,533

Part of the Court's decrease in the Wages & Benefits category is they no longer need an additional employee for their current work load, and have thus reduced their staffing levels.

Debt Service & Transfers Budget Summary

Debt Service	Fiscal Year 2016	Fiscal Year 2017
Principal	2,693,538	5,790,245
Interest	258,369	264,784
Total Debt Service	2,951,907	6,055,029

The City is paying off its 2007 Sales Tax Revenue Bonds in Fiscal Year 2017 in the amount of \$2,845,000. This is in preparation for the financing and construction of a new city hall.

Transfers Out	Fiscal Year 2016	Fiscal Year 2017
Transfers Out	2,214,243	3,184,000
Total Transfers Out	2,214,243	3,184,000

The Transfers Out budget increased as the City has a full year of the .2% sales tax to fund the improvements on the amphitheater and the splash pad. The funding is transferred to the Capital Projects and Perpetual Care Funds.

Human Resources Budget Summary

Human Resources	Fiscal Year 2016	Fiscal Year 2017
Wages & Benefits	284,191	338,971
Operations	29,784	31,784
Utilities	1,530	1,530
Assessments	0	0
Capital	0	0
Contractual Services	0	0
Total Human Resources	315,505	372,285

In the Human Resources budget for 2016-2017, our operations budget was left flat. The increased budget for employees is for a request for a Deputy HR Director. There are two employees who could potentially receive that promotion, but was budgeted for the greatest expense in the event that the 3/4 time employee is promoted.

City Attorney & Prosecution Budget Summaries

City Attorney	Fiscal Year 2016	Fiscal Year 2017
Wages & Benefits	467,727	449,072
Operations	28,295	28,295
Utilities	2,300	2,300
Assessments	0	0
Capital	0	0
Contractual Services	0	0
Total City Attorney	498,322	479,667

The City Attorney budget consists primarily of wages and benefits. Changes in the 2016-2017 budget from the 2015-2016 budget are due to City wide adjustments in wages and benefits.

The City Attorney budget for 2016-2017 is essentially a status quo budget from its 2015-2016 budget.

Prosecution	Fiscal Year 2016	Fiscal Year 2017
Wages & Benefits	390,110	427,053
Operations	18,325	16,165
Utilities	0	2,160
Assessments	0	0
Capital	0	0
Contractual Services	0	0
Total Prosecution	408,435	445,378

The City Prosecutors budget consists primarily of wages and benefits. Changes in the 2016-2017 budget from the 2015-2016 budget are due to City wide adjustments in wages and benefits.

Essentially, the City Prosecutor's budget for fiscal year 2016-2017 is status quo from its 2015-2016 budget.

Police Budget Summary

Police	Fiscal Year 2016	Fiscal Year 2017
Wages & Benefits	8,712,889	8,985,435
Operations	814,875	851,006
Utilities	131,794	131,794
Assessments	355,404	349,252
Capital	0	0
Contractual Services	760,446	790,367
Total Police	10,775,408	11,107,854

The budget for the Police Department reflects very little change. The operations costs of the Department are flat with no significant changes. The increase in cost of wages is in accordance with the Mayor's proposed merit and COLA increases, as well as a few adjustments for some of our positions.

We have had to make adjustments in our contractual services accounts due the increase in the amounts we are required to pay to VECC, for communications as well as the increase for Animal Control Services. This is in accordance with the contract we entered into with West Jordan last year.

Contractual Services	235,472	268,000
Total Fire	7,178,409	7,581,167

The Fire Department has made minor adjustments to our 2017 operating budget based on the needs of our department.

Following are the fundamental increases.

1. In keeping up with the most recent technology, we are replacing the tablets used on our engines and ambulances by our paramedics. Although we feel these are crucial in tracking the treatment of our patients, the cost is minimal.

2. We make every effort to keep our fire apparatus and ambulances in good repair. Maintaining this equipment is costly and, therefore, a modest increase is necessary to this account.

3. In 2015 our medical calls increased by more than 500 over the previous year. Medical supplies, as well as billing services, are directly affected by this increase. Therefore, it was necessary to make an upward adjustment in these accounts. This cost is offset by the increase in collections. A few other accounts were increased or decreased, based on expenditures over the past year. Employee compensation was our primary concern in this upcoming budget. We have worked hard to make the proper adjustments and balance the inequities.

Public Works Budget Summary

Public Works	Fiscal Year 2016	Fiscal Year 2017
Wages & Benefits	1,832,644	1,807,253
Operations	363,838	362,838
Utilities	72,700	73,600
Assessments	140,019	145,925
Capital	0	0
Contractual Services	0	0
Class C	1,464,412	1,559,731
Total Public Works	3,873,613	3,949,347

The Public Works operating budget has remained approximately the same as last year with line item increases in overtime for snow removal. The Class C road budget includes funds for the following projects: 1) 6100 South – State Street to Fashion Boulevard, 2) road reconstruction projects in the Chevy Chase and Wesley Road areas, 3) Murray Parkway Avenue – north of 5400 South, 4) Slurry seal projects west of State Street, 5) Sidewalk and ADA ramp repairs, and 6) right-of-way and power line relocations on Vine Street between 900 and 1300 East.

MURRAY
PARKS &
RECREATION

Parks & Recreation Budget Summary

Parks & Recreation	Fiscal Year 2016	Fiscal Year 2017
Wages & Benefits	3,819,108	3,954,270
Operations	1,364,768	1,371,100
Utilities	592,930	592,930
Assessments	115,475	117,669
Capital	0	0
Contractual Services	0	0
Total Parks & Recreation	5,892,281	6,035,969

The operating budget for Parks and Recreation includes line item increases in overtime resulting from shifting the responsibility of driving the City float to park employees; a new Rocky Mountain Power lease for use of property on the Jordan River Parkway for a trail; staffing an additional lifeguard at the top of the waterslide at The Park Center pool; and a one-time payout for the retirement of the Heritage Center Director.

ADMINISTRATIVE &
DEVELOPMENT SERVICES

Administrative and Development Services Budget Summary

ADS	Fiscal Year 2016	Fiscal Year 2017
Wages & Benefits	4,094,744	4,195,663
Operations	1,195,023	1,289,460
Utilities	175,480	142,680
Assessments	34,036	38,383
Capital	0	0
Contractual Services	0	0
Total ADS	5,499,283	5,666,186

The proposed budget for the ADS department includes an increase from the previous year's budget mainly attributed to the proposed salary and benefit increases for the whole city. The department is proposing a decrease in one full time position in the Building Division (current vacancy will not be filled) and an addition of a part time office aid for the department. Although there are minor adjustments in operations, many of the reductions proposed offset increases for the most part.

The IT area has increases in software and equipment maintenance line items due to increases in contract expenses which occur as systems age. There is also an increase in our computer replacement line item (small equipment) due to increases in laptop purchase prices for the Police Department. However, there are reductions in our telephone line item due to turning off our T-1 data lines as part of the new phone system transition. Finally, there is an increase in the Building Division professional services line item to account for the loss of the Plans Examiner position. These funds will allow for structural engineer and technical plan review as needed. We are also reducing the elections line item resulting from cost savings due to the "Vote by Mail" policy adopted by the City Council. Overall, the general budget for the department is similar to operations from the previous year.

The library budget is remaining static this year, as we explore the possibility of building a new library in the Murray City Center Development. We will be able to improve our employee compensation with help from the City, who will take over the costs of our IT employee. The materials budgets will remain the same and we will put off any building improvements.

Expenditure Totals	3,606,692	3,728,515
Budget Balance	0	0

There are substantial changes to the Redevelopment Agency (RDA) budget primarily due to the significant movement in the Central Business District downtown redevelopment process. We anticipate funding for more acquisition opportunities and funds to address infrastructure and parking structures. Funds to achieve these projects are included in the budget items but may be obtained through reserve funds as well. Minor increases are occurring in the Fireclay area (School District funds are being paid based on percentage amounts that fluctuate due to increases in the tax increment financing collected). In the Smelter Site we are proposing a 12% pass through to the School District as a new line item which has to be approved by the Taxing Entity Committee. This is an “education mitigation” amount similar to line items in the Central Business District and Fireclay District areas. Overall, the proposed RDA budget continues to focus on efforts to enhance areas in need of redevelopment while still maintaining adequate reserves for future projects.

Water Fund Budget Summary

Water Fund			
		Fiscal Year 2016	Fiscal Year 2017
Revenue		5,503,000	5,498,000
Use of Reserves		1,721,770	741,241
	Total Revenue	7,224,770	6,239,241
Wages & Benefits		1,536,100	1,577,285
Operations		1,047,000	1,070,800
Utilities		488,800	493,300
Assessments		192,266	174,529
Capital		2,468,500	1,464,500
Contractual Services		0	0
Admin Fee		663,064	674,567
Transfers Out		445,658	402,594
Principal		306,682	312,941
Interest		76,700	68,725
Increase In Reserves		0	0
	Expense Totals	7,224,770	6,239,241
	Budget Balance	0	0

The budget for the Water Fund is lower than last fiscal year because of fewer capital projects. Capital projects include: 1) 4500 South water line replacement, 2) Service truck replacement, 3) transport trailer for large equipment, and 4) various pipeline replacement projects, pump house improvements, and well rehabilitation ventures. Approximately \$740,000 of reserves will be required to fund these projects.

Waste Water Fund Budget Summary

Waste Water Fund		
	Fiscal Year 2016	Fiscal Year 2017
Revenue	4,183,125	4,163,286
Use of Reserves	1,270,878	276,304
Total Revenue	5,454,003	4,439,590
Wages & Benefits	711,503	703,822
Operations	336,200	338,700
Utilities	20,000	21,000
Assessments	83,563	101,486
Capital	1,515,000	133,000
Contractual Services	1,650,500	1,805,139
Admin Fee	409,051	414,891
Transfers Out	337,616	349,606
Principal	293,318	474,059
Interest	97,252	97,887
Increase In Reserves	0	0
Expense Totals	5,454,003	4,439,590
Budget Balance	0	0

The budget for the Waste Water Fund is lower than last fiscal year because of fewer capital projects. Capital projects include: 1) replacement of two service trucks, 2) purchase of an emergency auxiliary pump, and 3) payments to Central Valley Water Reclamation Facility for capital improvements. Approximately \$276,000 of reserves will be required to fund these projects.

	Expense Totals	44,511,740	37,041,125
	Budget Balance	0	0

The power department budget for FY2017 is very conservative in nature with a slight reduction in projected revenue from the FY2016 budget year. This corresponds with moderate growth projections of the power department for the coming year. This conservative approach allows for fluctuations in the areas of weather and energy pricing that can have a direct impact on the financial position of the department and are out of our direct control. The power department budget has a solid mix of capital projects, vehicle and equipment purchases, system maintenance, and system upgrades. All this combines for a balanced budget that is fiscally responsible and should provide for continued system reliability and department sustainability.

Expense Totals		1,475,399	3,769,906
Budget Balance		0	0

The golf course budget increases significantly this year over normal years funding the replacement of the irrigation system and golf carts. Approximately \$2.3 million of reserves and bonding will be required to fund the irrigation project and the golf carts. The bond payment will be made from revenue generated from a fee increase and reduced maintenance costs by replacing the old irrigation system. Other capital projects include: 1) replacement of a fairway mower, and 2) replacement of a tee mower.

Expense Totals		1,609,770	1,644,887
Budget Balance		0	0

The Solid Waste budget increases because of higher waste collection and disposal costs resulting from a new five-year Agreement with Ace Disposal and implemented on January 1, 2016. The increased costs will be offset by a fee increase that went into effect on February 1, 2016.

Storm Water Fund Budget Summary

Storm Water Fund		
	Fiscal Year 2016	Fiscal Year 2017
Revenue	1,631,500	1,631,500
Use of Reserves	191,027	0
Total Revenue	1,822,527	1,631,500
Wages & Benefits	654,130	667,818
Operations	317,500	341,623
Utilities	6,500	7,000
Assessments	68,932	73,699
Capital	258,000	58,000
Contractual Services	0	0
Admin Fee	100,561	104,327
Transfers Out	137,029	128,453
Principal	215,000	190,000
Interest	64,875	60,580
Increase In Reserves	0	0
Expense Totals	1,822,527	1,631,500
Budget Balance	0	0

The budget for the Storm Water Fund is lower than last fiscal year because of fewer capital projects. Capital projects include: 1) upgrading the skid steer and mini-excavator, and 2) replacing the storm line in 5680 South and 300 West.
