***Exhibit Title: Land, Lead, and Leadership:***  
***The Emergence of Murray City***

**Recommended for Grades 2-4**  
**Any Tuesday, Wednesday, or Thursday at 9:30 a.m. or 1 p.m.**

Teachers in grades 2-4 are invited to schedule a 90 minute tour of the Murray City Museum throughout the school year on Tuesday, Wednesday, or Thursday at 9:30 am or 1 pm.

**Reservations should be made at least one month in advance.** Please note that tours cannot be scheduled during fall elections or during cemetery tours.

Museum tours can accommodate up to two to three classes each day. Grade levels with four classes are encouraged to schedule two different tour days. Funding for buses will be provided for one grade level per public school in Murray but you must make the arrangements for the buses. Questions, phone Mary Ann Kirk at 801-264-2638.

Because we don't have time to cover the full museum in detail, please check those topics you would like us to spend more time on. We will try to add some additional interactive activities.

- General Tour
- Pioneer era/agriculture
- Smelter industry and how it impacted Murray (ethnic diversity, employment, pollution)
- Murray City development (city services, businesses, schools, home life)
- City Administration and Organization (mayor, city council, departments)
