ORDINANCE NO. 17-21

AN ORDINANCE ADOPTING THE RATE OF TAX LEVIES FOR THE  
FISCAL YEAR COMMENCING JULY 1, 2017 AND ENDING JUNE 30, 2018.

PREAMBLE

Chapter 2, Title 59 of the Utah Code states that each year, the governing body of each city shall, by ordinance or resolution, adopt final tax levies for its General and Library Funds. UTAH CODE ANN. Chapter 2, Title 59 provides for certain notice and hearing requirements if the proposed total tax rates exceeds the certified tax rate. The City needs to reserve the power to amend the tax rates to guarantee, after final appraisal figures have been determined, that they have the amount required for its governmental operations.

The Murray City Municipal Council wants to adopt final levies for fiscal year 2017-2018 subject to the requirements of UTAH CODE ANN. Chapter 2, Title 59.

BE IT ENACTED by the Murray City Municipal Council as follows:

*Section 1. Purpose.* The purpose of this Ordinance is to adopt the tax levies for fiscal year 2017-2018 subject to the requirements of UTAH CODE ANN. Chapter 2, Title 59.

*Section 2. Enactment.*

1. The Murray City Municipal Council hereby levies, upon property within the City, made taxable by law in the year 2017 for the fiscal year of the City ending June 30, 2018, a tax of .001415 on each dollar of taxable valuation of said property as revenue in the General Fund and a tax of .000344 on each dollar of taxable valuation of said property as revenue in the Library Fund for a combined total tax of .001759 on each dollar of taxable valuation of said property.

2. The total tax levy for the General and Library Funds does not exceed the certified tax rate. Since the total tax levy for the General and Library Funds does not exceed the certified tax rate, the budgets are not subject to the notice, hearing and other requirements of UTAH CODE ANN. Chapter 2, Title 59.

3. The Murray City Municipal Council hereby further levies a tax to cover the costs of mandates by the Utah State Legislature or judicial or administrative orders under UTAH CODE ANN. Chapter 2, Title 59 as determined by the Utah State Tax Commission and the Salt Lake County Auditor.

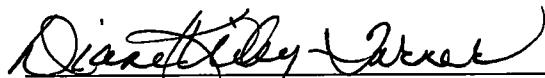

4. The tax levies herein above determined and levied shall be certified by the City Recorder to the Salt Lake County Auditor pursuant to the provisions of UTAH CODE ANN. Chapter 2, Title 59.

5. The City hereby expressly reserves the power and right to amend any tax levy made herein as it may deem just and appropriate under the law.

*Section 3. Effective Date.* This Ordinance shall take effect on July 1, 2017.

PASSED, APPROVED AND ADOPTED, this 20<sup>th</sup> day of June, 2017.

MURRAY CITY MUNICIPAL COUNCIL

  
Diane Turner, Chair

ATTEST:

  
Jennifer Kennedy, City Recorder

MAYOR'S ACTION: Approved.

DATED this 23 day of June, 2017.

  
David Ted Eyre, Mayor

ATTEST:

  
Jennifer Kennedy, City Recorder

CERTIFICATE OF PUBLICATION

I hereby certify that this Ordinance was published according to law on the 27  
day of June, 2017.

  
\_\_\_\_\_  
Jennifer Kennedy, City Recorder

## GENERAL FUND BALANCE

Fund balance (or retained earnings) is the difference between a fund's assets and liabilities. The City accumulates fund balances in its various funds for the following purposes:

- To have adequate funds in case of an emergency or unexpected events
- To secure the City's debt and related bond rates
- To meet requirement for liabilities already incurred but not paid
- To avoid short-term debt
- To provide for planned and unplanned capital expenditures

According to Utah Code 10-6-116, cities are allowed to accumulate retained earnings or fund balances in any fund. However, the law imposes a limit on the General Fund balance of 25% of the total revenue for the current fiscal period. Any amount in excess of 5% of the total current fiscal period revenues of the General Fund may be utilized for budget purposes.

Below is a history and percentage of the General Fund balance.

	<b>Prior Year</b>	<b>Adopted</b>	<b>Estimated</b>	<b>Adopted</b>	<b>Budget</b>
	<b>Actual</b>	<b>Budget</b>	<b>Actual</b>	<b>Budget</b>	<b>Change</b>
	<b>FY 15-16</b>	<b>FY 16-17</b>	<b>FY 16-17</b>	<b>FY 17-18</b>	
<i>Beginning Fund Balance</i>	\$ 9,030,897	\$ 9,557,213	\$ 9,557,213	\$ 9,592,430	
<i>Revenues</i>	38,666,167	38,667,660	40,215,357	39,371,760	1.8%
<i>Expenditures</i>	(37,864,788)	(42,892,556)	(40,882,322)	(38,752,046)	-9.7%
<i>Transfers In</i>	4,307,171	4,244,879	3,952,182	4,137,389

<i>Fund Balance as a percentage of current year revenues</i>	24.72%	16.53%	23.85%	24.11%	

Waterway playground

## GENERAL FUND SOURCES AND USES

The General Fund has five (5) major and eleven (11) non-major revenue sources.

Major revenue sources are sales tax, property tax, franchise tax, transfers in from the enterprise funds, and charges for services.

Non-major revenue sources are transient room tax, motor vehicle fees, interest and penalties, Class C road funds, licenses and permits, Intergovernmental, fines and forfeitures, emergency 911 fees, and miscellaneous.

The personnel to operations ratio is approximately 72/27 (excluding debt service and capital), which is consistent with prior years. This measurement is within recommended best practices.

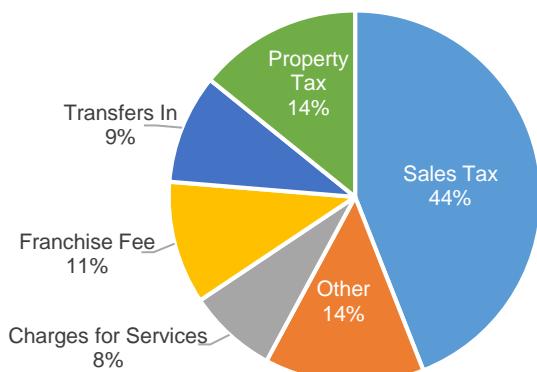

### General Fund Sources

	<i>Prior Year</i>	<i>Adopted</i>	<i>Estimated</i>	<i>Adopted</i>	<i>Budget</i>
	<b>Actual</b>	<b>Budget</b>	<b>Actual</b>	<b>Budget</b>	<b>Change</b>

It is important to note a change in the way the City is now budgeting the allocation of administrative services to several other City functions which operate independently of the City's General Fund. These functions include the Library, Redevelopment Agency, Power Fund, Water Fund, Wastewater Fund, Solid Waste Fund, Storm Water Fund, Murray Parkway Fund, and Telecom Funds.

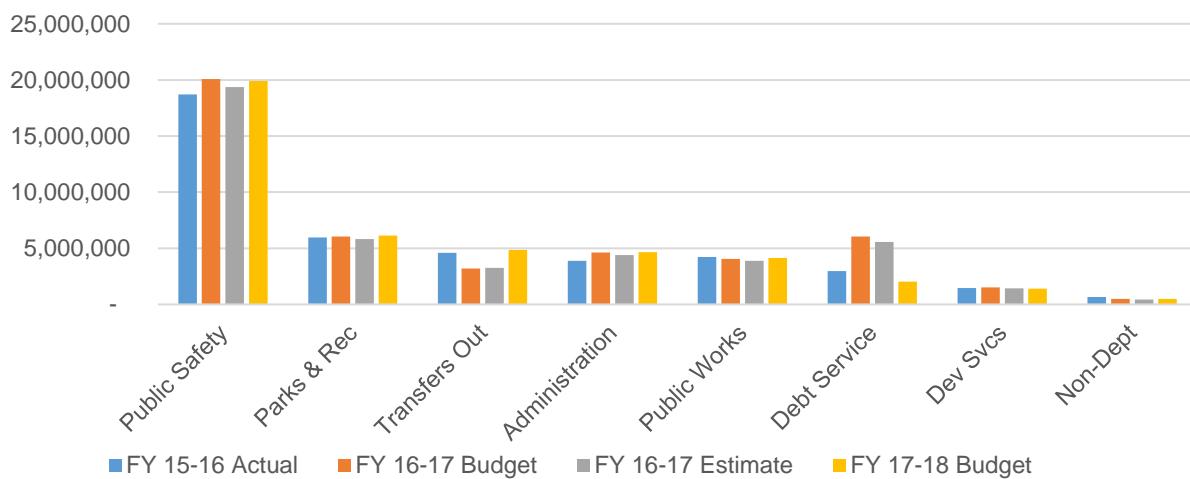

## GENERAL FUND EXPENDITURES SUMMARY BY DEPARTMENT

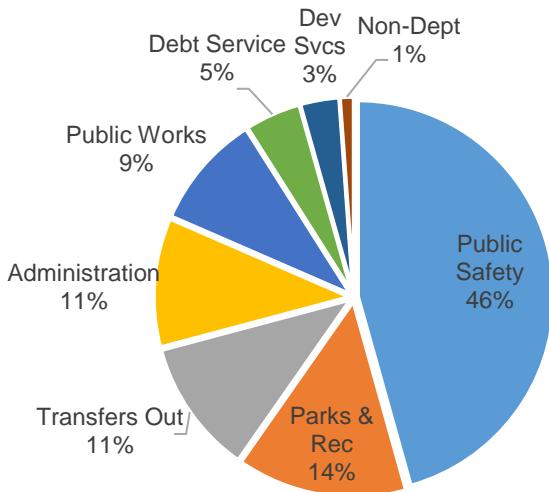

In previous years (including the 2017 adopted budget), administrative service costs were accounted for by transferring funds from these independent funds to the General Fund and recognizing this transfer an offset to the expense. However in 2017, the City implemented new software which now allows the City to budget and expense these allocated wages directly to the appropriate independent funds.

This new process significantly reduced the 2017 estimated actual expenditures as compared to budget, and are reflected in the adopted 2018 budgeted wages and benefits for the following departments:

- City Council
- Mayor
- Finance
- Human Resources
- City Attorney
- ADS Administration
- City Treasurer
- City Recorder
- Information Technology (IT), and
- Geographic Information Systems (GIS).

Streets rebuild project

## City Council

Murray City operates under a Council-Mayor form of government. Under this form of government, the City Council acts as the legislative branch of the government. The City Council consists of five (5) elected City Councilmembers representing the five (5) geographical districts within the City boundaries. Councilmembers are part-time elected officials who serve a four-year term and are elected in a nonpartisan election.

The City council's main task is the adoption and oversight of the City's annual budget. Other responsibilities include introducing legislation, setting City policy, and giving advice and consent on appointments made by the Mayor to the City boards and commissions. The Council also serves as the Board of Directors of the Murray Redevelopment Agency.

### **Staffing \***

There were staffing no changes in the approved budget.

Position	FY 2016 Actual	FY 2017 Actual	FY 2018 Budget
Elected Officials	5.00	5.00	5.00
Council Administrator	1.00	1.00	1.00
Office Administrator	1.00	1.00	1.00

## Municipal Justice Court

The Murray Municipal Justice Court serves as the judicial branch of the government. Serving the citizens of Murray since 1999, the Murray Municipal Justice Court provides the citizens with an open, fair, efficient, and independent system for the advancement of justice under the law. It is an independent branch of government constitutionally entrusted with the fair and just resolution of disputes in order to preserve the rule of law and to protect the rights and liberties guaranteed by the Constitution and laws of the United States and the State of Utah.

The Justice Court is located at:

Murray Municipal Justice Court  
688 E Vine Street  
Murray, Utah 84107  
(801) 284-4280

Hours: Monday – Thursday  
7:30am – 4:00 pm  
Friday  
8:00 am – 12:00 pm  
Closed each day from 12:00 – 1:30 pm for lunch

### Staffing

In 2018, the two (2) security officer positions were transferred to the Police Department.

Position	FY 2016 Actual	FY 2017 Actual	FY 2018 Budget

## Mayor's Office

Under the Council-Mayor form of government, the Mayor's Office is the executive branch of the government. As an elected official serving a four-year term, the Mayor is the chief executive and administrative officer of the City. The Mayor has the responsibility to execute the policies adopted by the Council, appoint (with the Council's advice and consent) qualified persons to the City's officers and management positions, and provide executive management to the City.

### Staffing

In 2018, one (1) administrative support FTE was removed from the budget.

Position	FY 2016 Actual	FY 2017 Actual	FY 2018 Budget
Mayor	1.00	1.00	1.00
Deputy Mayor	-	-	1.00
Chief Administrative Officer	1.00	1.00	-
Executive Assistant to the Mayor	1.00	1.00	-
Office Administrator	1.00	1.00	1.00
Web Administrator	0.50	-	-
	<b>4.50</b>	<b>4.00</b>	<b>3.00</b>

\* Permanent positions only, excludes seasonal staffing

### Administrative Services Allocation

In an effort to provide transparency, the table below illustrates the effects of the process change discussed previously.

	FY 2016 Actual	FY 2017 Budget	FY 2018 Budget
Wages and benefits	\$ 497,276	\$ 528,478	\$ 402,926

## Finance Department

The Finance Department is responsible for the systems and procedures that assure the sound and efficient management of the City's financial resources. This includes accounting, budget preparation, asset management, internal controls, audit, and financial reporting for all funds of the City. In addition, the Finance Department is responsible for compliance with generally-accepted accounting principles (GAAP), Government Accounting Standards Board (GASB) Statements, and the State of Utah requirements and regulations.

### Staffing

There were not staffing changes included in the FY 2018 budget.

## Debt Service

The FY 2018 budget includes debt service for the following outstanding bonds or obligations:

- UTOPIA
- 2009 Sales Tax Revenue Bond
- Asphalt Grinder (Lease)

The budget for debt service decreased significantly in FY 2018 due to the early debt retirement of the Series 2007 Sales Tax Revenue Bonds in FY 2017.

### Budget and Financial History

FY 2039	2,649,929
FY 2040	2,473,561
	<b>\$ 50,201,991</b>

#### Capital Lease – Asphalt Grinder

	Principal	Interest	Total
FY 2018	\$ 79,042	\$ 972	\$ 80,014

## Transfers Out

The FY 2018 budget includes transfers out for the following purposes:

- \$4,823,103 to the Capital Projects Fund for the construction of the new fire station
- \$34,000 to the Murray Parkway Fund to assist in balancing the fund due to a reduced number of users, and a limited amount of available funds due to the major improvement projects completed in 2017.

## Budget and Financial History

Acct #	Acct Description	Prior Year Actual FY 15-16	Adopted Budget FY 16-17	Estimated Actual FY 16-17	Adopted Budget FY 17-18
10-0490-49230	Perpetual Care Transfer	\$ 34,000	\$ 34,000	\$ 34,000	\$ -
10-0490-49241	Capital Projects Transfer	4,048,234	3,150,000	3,216,000	4,823,103

		<b>\$ 4,582,234</b>	<b>\$ 3,184,000</b>	<b>\$ 3,250,000</b>	<b>\$ 4,857,103</b>

## Human Resources

The Human Resources Department provides support for the City's recruiting and hiring needs, benefit management, compensation and market analysis, and compliance with labor regulations and laws.

In FY 2018, the City budgeted \$50,000 for a city-wide independent compensation study to provide a tool for a comprehensive review of the City's compensation and career structures. While an internal study is performed each year to address critical market adjustments, the last independent compensation study was performed in 2008.

### Staffing

In FY 2017, the budget was amended and the HR structure was changed to include a Deputy HR Director.

Position	FY 2016 Actual	FY 2017 Actual	FY 2018 Budget
Human Resources Director	1.00	1.00	1.00
Deputy HR Director	-	1.00	1.00
Human Resource Analyst	2.00	1.00	1.00
	<b>3.00</b>	<b>3.00</b>	<b>3.00</b>

\* Permanent positions only, excludes seasonal staffing

### Administrative Services Allocation

In an effort to provide transparency, the table below illustrates the effects of the process change discussed previously.

	FY 2016 Actual	FY 2017 Budget	FY 2018 Budget
Wages and benefits	\$ 281,478	\$ 339,680	\$ 339,974

## City Attorney's Office – Civil Division

The City Attorney's Office is organized into the Civil Division and the Criminal Division.

The Civil Division represents the Mayor, City Council, City departments, Boards, and Commissions in handling the legal business of the City.

### Staffing

In FY 2017, the budget was amended and the Legal Administrator was retitled to Office Administrator.

Position	FY 2016 Actual	FY 2017 Actual	FY 2018 Budget
City Attorney	1.00	1.00	1.00
Deputy City Attorney	1.00	1.00	1.00

## City Attorney's Office – Criminal Division

The City Attorney's Office is organized into the Civil Division and the Criminal Division.

The Criminal Division prosecutes misdemeanors and infractions of State laws and City ordinances.

### Staffing

There were no staffing changes included in the FY 2018 budget.

## Police Department

The Murray City Police Department has the responsibility of preserving the peace, responding to law enforcement service requests, and protecting life and property within the City limits. The Police Department is organized into six (6) divisions: Administration, Patrol, Investigations, Community Services, Training Center, and Animal Control. In addition to these divisions, the Department sponsors a Police Cadet program. Each division has assigned positions and operating budgets, however, all wages and benefits are budgeted under Administration to facilitate a more effective use of labor resources in addressing the needs of the community.

### Staffing

In FY 2018, two (2) Court Security Officers were transferred from Courts to Police. In FY 2017, a records supervisor position was added to the budget by amendment.

Position	FY 2016 Actual	FY 2017 Actual	FY 2018 Budget

## Fire Department

The Fire Department's primary mission is to protect the lives and property of the citizens and businesses of Murray City, and to promote an environment of public safety. This is accomplished through the delivery of emergency medical services, fire suppression operations, and fire prevention through inspections and public education. The Fire Department also sponsors a Fire Cadet Program intended to foster career development in fire service.

## Emergency 911 Dispatch Services

The Salt Lake Valley Emergency Communications Center (VECC) is a 911 police, fire, and medical emergency services dispatch agency located at:

Salt Lake Valley Emergency Communications Center  
5360 Ridge Village Drive  
West Valley City, Utah 84118  
(801) 840-4100  
Hours: Open 24 hours a day

VECC was formed under Utah law by six Salt Lake area cities and Salt Lake County in 1988. The current members are Alta, Bluffdale, Cottonwood Heights, Draper, Herriman, Holladay, Murray City, Riverton, Sandy City, South Jordan City, South Salt Lake City, Taylorsville, West Jordan City, West Valley City and Salt Lake County.

This service is funded by a special sales tax charged to all telecommunication sales and distributed to the cities as the taxing entity. These funds are then paid to VECC as an exchange for service.

The amount received by Murray City is recorded under revenues.

## Public Works – Engineering

The Engineering Division provides transportation planning, roadway, signal and intersection design, traffic management and studies and oversees survey, design, bidding and construction of capital improvement program (CIP) projects. The Division also provides storm water management, planning and design and construction oversight of large CIP storm drain projects. The Division issues permits, inspects and manages construction within the public right-of-ways and oversees the City's sidewalk replacement program. In addition, the Division provides Engineering review and support for Community Development and Building Division permit issuance including residential and commercial subdivision review, approval, inspections and construction oversight to ensure projects are constructed in accordance with City codes and standards.

### Staffing

## Public Works – Class C Roads

The City receives a share of State sales tax dedicated to Class C road maintenance. This revenue source is budgeted under General Fund Revenues. This division uses this funding source to provide maintenance services to these roads. The budgeted revenue for FY 2018 is \$1.7 million. Unused funds from the previous year will be rolled-forward to be used in FY 2018. Labor for these services is provided by the Streets and Engineering divisions of Public Works.

## Parks & Recreation – Arts & History

Murray Cultural Arts / History Department oversees the arts and history programs of the City. The Cultural Programs Office is assisted by the Murray Arts Advisory Board and Murray History Board to plan and implement a variety of programs and projects. This program relies heavily on the volunteer efforts of the community.

### Staffing

There were no staffing changes included in the FY 2018 budget. In FY 2017, an administrative assistant position was added to the program.

Position	FY 2016 Actual	FY 2017 Actual	FY 2018 Budget
Cultural Programs Manager	1.00	1.00	1.00

## ADS Department – Treasurer's Office

The Treasurer's Office supervises the collection of all taxes, assessments, fines, forfeitures, service charges and intergovernmental revenues of the City. In addition, it is responsible for the investment of cash in accordance with the Uniform Fiscal Procedures Act and Utah Money Management Act. This division also has various responsibilities related to accounting transactions, customer service and meter reading.

### **Staffing**

There were no staffing changes included in the FY 2018 budget.

Position	FY 2016 Actual	FY 2017 Actual	FY 2018 Budget
City Treasurer	1.00	1.00	1.00
Customer Service Supervisor	1.00	1.00	1.00
Assistant CS Supervisor	1.00	1.00	1.00
CSR/Billing Editor	3.00	3.00	3.00
Treasurer's Clerk/CSR	1.00	1.00	1.00
Meter Reader	3.00	3.00	3.00
	<b>10.00</b>	<b>10.00</b>	<b>10.00</b>

\* Permanent positions only, excludes seasonal staffing

### **Administrative Services Allocation**

In an effort to provide transparency, the table below illustrates the effects of the process change discussed previously.

	FY 2016 Actual	FY 2017 Budget	FY 2018 Budget
Wages and benefits	\$ 715,237	\$ 758,375	\$ 741,467
Operations	18,237	33,700	291,022
<b>Subtotal</b>	<b>733,474</b>	<b>792,075</b>	<b>1,032,489</b>
Less: Allocated costs to other funds			(518,058)
<b>Total - Treasurer's Office</b>			<b>\$ 514,431</b>

## CENTRAL GARAGE FUND

The City's Central Garage Fund is an internal service fund, and is used to account for the activities of the City's fleet maintenance. The amount charges to each department and/or fund is based on an allocated cost per vehicle. The intention is to reduce risk to the City and promote an efficient yet rigorous maintenance program for all City-owned equipment and vehicles.

## RETAINED RISK FUND

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City's Retained Risk Reserve Fund is an internal service fund which accounts for and accumulates resources for uninsured loss. Under this program, the Retained Risk Reserve fund provides coverage for up to a maximum of \$250,000 for each general liability claim. The city purchases commercial insurance for claims in excess of coverage provided by the Fund and for all other risks of loss.

## CEMETERY CARE FUND

The City's Cemetery Care Fund is used to account for the activities of the City's long-term obligations for the cemetery. The intention is to retain the principal in perpetuity, and have the investment income provide the funds to pay for the landscaping and other care services.

## REDEVELOPMENT AGENCY FUND

The Redevelopment Agency of Murray City (the "Agency") is an agency authorized under State law Title 17C known as the Limited Purpose Local Government Entities-Community Development and Renewal Agencies. The purpose of this agency is to facilitate redevelopment efforts in a designated community and to administer projects/programs to assist in economic development, community development and renewing urban areas.

The Agency promotes economic development by encouraging private and public investment in previously developed areas that are underutilized or blighted; and by working with businesses to increase jobs available in the community and the state as a whole. Affordable housing development is also a priority and the Agency works to increase the amount and variety of this type of housing within the community.

The Agency began its redevelopment program in 1976 with a public infrastructure project extending Vine Street west of State Street. The agency currently has five active redevelopment project areas described as follows:

- Central Business District (Established 1979)
- Cherry Street (Established 1991)
- East Vine Street (Established 1992)
- Smelter Site (Established 1999)
- Fireclay (Established 2005)

The Agency's governing body consists of the current members of the City Council of Murray City, and an executive director who is a full-time employee of the City.

### **Ending Fund Balance Summary by Area**

By design, some areas have a required low-income housing component included in their structure which dedicates 20% of the tax increment collected to be dedicated and restricted to incentive the development of affordable housing within the areas. As a result, the fund balance for those areas is broken into two (2) separate components – the restricted fund balance to be used to encourage development, and the restricted fund balance to be used to encourage the development of low-income housing. Below is a summary of the ending balances by area.

	<i>Prior Year</i>		<i>Adopted</i>		<i>Estimated</i>		<i>Adopted</i>	
	<i>Actual</i>		<i>Budget</i>		<i>Actual</i>		<i>Budget</i>

Murray City

## CAPITAL PROJECTS FUND

A capital project is a new construction, expansion, renovation, or replacement project for an existing facility or facilities. It is a project that helps maintain or improve a City asset, often called infrastructure. The City has funded the design and construction of a new fire station. A complete list of projects funded in FY 2017 and FY 2018 is included at the end of this section.

## ENTERPRISE FUNDS

Enterprise funds are used to account for the financial activity associated with services for which a fee is charged in exchange for the service. Murray City has seven (7) enterprise funds. The following document provides information regarding these enterprise funds, including:

- Budget and Financial History
- Staffing
- Capital Projects
- Cost of Administrative Services
- Transfers to the General Fund

### Water Fund

Used to account for the activities of the City's culinary water service

### Power Fund

Used to account for the activities of the City's power service

### Wastewater

Used to account for the activities of the City's sewer service

### Storm Water

Used to account for the activities of City's storm water service

### Solid Waste

Used to account for the activities of the City's garbage and recycling services

### Murray Parkway

Used to account for the activities of the City's golf course

### Telecom

Used to account for the connection fees associated with UTOPIA fiber

## WATER FUND

The City's Water Fund is used to account for the activities of the City's culinary water system. This system provides service to approximately 8,761 residential users and 1,389 commercial users. The annual consumption is approximately 2.7 billion gallons.

### Fund Balance

	<b>18.00</b>	<b>18.00</b>	<b>18.00</b>

## WATER FUND (continued)

### Capital Projects

A capital project is a project that helps maintain or improve a City asset. In order to qualify as a capital project, it must be either a new construction, expansion, renovation, or replacement for an existing facility or facilities.

The following capital projects have been included in the budget for fiscal year 2017-2018.

Pipeline replacement	\$ 1,000,000
Replace reservoir #2	250,000
Well equipment	70,000
Well rehabilitation	65,000
Pump-house maintenance	65,000
Service truck replacement	47,000
BobCat trade-in	6,500
<b>Total Capital Projects</b>	<b>\$ 1,503,500</b>

Public works repairing a leak

### Cost of Administrative Services

There are several departments which provide overall administrative services for the City as a whole. These departments include the City Council, Mayor's Office, Finance, Human Resources, City Attorney, Community Development, Treasury, City Recorder, Information Technology (IT), and Geographic Information Systems (GIS).

A cost study was performed in 2012 that evaluated the administrative service level demands. This study calculated a percentage of the cost of service that should be charged to each of the enterprise funds. The percentage of the cost of administrative services that is applicable to the Water Fund is 10.00%.

The actual cost for service is calculated each month and is based on the actual expenses of the administrative departments.

### Transfers to the General Fund

The purpose of the transfer of funds from the enterprise funds to the General Fund is to help cover the costs of important services like police, fire, emergency medical services, street maintenance, snow removal, parks, and similar City services.

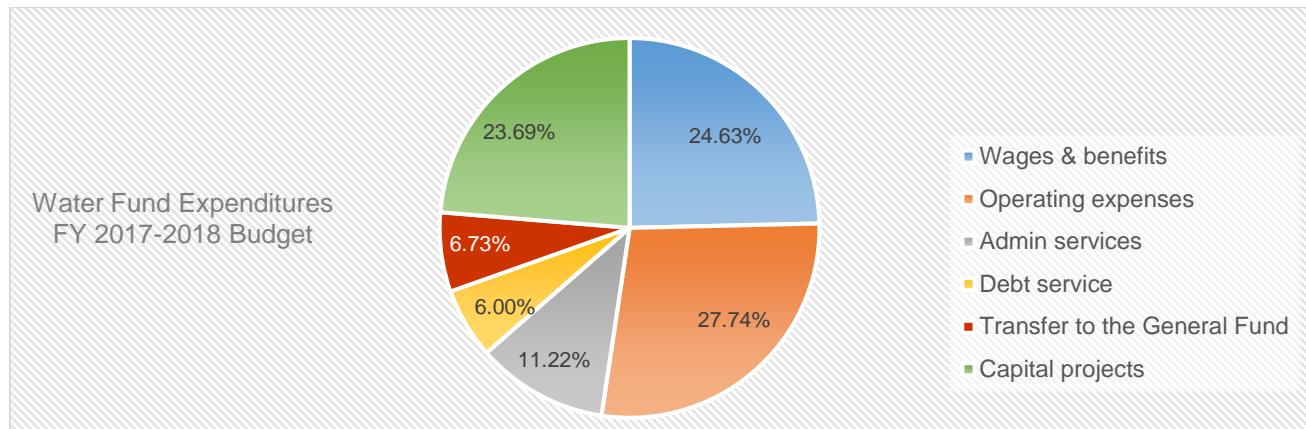

Where private sector utility companies are in the business to provide a return on investment to its shareholders, Murray City shareholders (taxpayers and citizens) receive this return on investment as a transfer to the General Fund intended to subsidize services which would otherwise require an increase in property taxes.

The transfer is calculated on budgeted revenues for each of the enterprise funds. This method was chosen in that there is less fluctuation due to possible capital outlay demands. The actual transfer is calculated at the end of each month, and is based on the actual revenue of the specific enterprise fund. The budgeted transfer will be calculated at 7.78% of total revenues for fiscal year 2017-2018.

While the City has chosen this calculation method, Utah Code §10-6-135.5 requires the City report this transfer as a percentage of total expenditures. The transfer amount budgeted in fiscal year 2017-2018 is \$426,874, or 6.73% of the total expenditures of the Water Fund.

## WATER FUND (continued)

Budget and Financial History

The following represents the budget and financial history for the Water Fund. There was no rate increase projected for this fiscal year.

## WASTEWATER FUND

The City's Wastewater Fund is used to account for the activities of the City's sewer system. This system provides service to approximately 8,376 residential users and 1,163 commercial users. Wastewater treatment is provided by the Central Valley Water Reclamation Facility (CVWRF).

## Fund Balance

	<i>Prior Year</i>	<i>Adopted</i>	<i>Estimated</i>	<i>Adopted</i>
	Actual	Budget	Actual	Budget
	FY 15-16	FY 16-17	FY 16-17	FY 17-18
<i>Beginning Net Position (less capital assets)</i>	\$ 7,345,028	\$ 7,299,461	\$ 7,299,461	\$ 4,730,079
Revenues	4,867,853	4,144,051	4,814,230	4,472,000
Expenditures	(3,153,852)	(5,258,874)	(5,167,450)	(3,998,128)
Capital	(1,443,501)	(1,420,331)	(1,885,915)	(968,700)
Transfers In/Out (net)	(316,066)	(328,481)	(330,246)	(345,386)
<i>Ending Net Position (less capital assets)</i>	\$ 7,299,461	\$ 4,435,826	\$ 4,730,079	\$ 3,889,865

## Staffing

The City's Wastewater Fund has 8.0 full-time equivalent personnel. There were staffing no changes in the approved budget.

Position	FY 2016	FY 2017	FY 2018
	Actual	Actual	Budget
Field Supervisor	1.00	1.00	1.00
Wastewater Technician	7.00	7.00	7.00
	<b>8.00</b>	<b>8.00</b>	<b>8.00</b>

## Capital Projects

A capital project is a project that helps maintain or improve a City asset. In order to qualify as a capital project, it must be either a new construction, expansion, renovation, or replacement for an existing facility or facilities.

The following capital project has been included in the budget for fiscal year 2017-2018.

Walden Glen Lift Station rebuild \$ 500,000

## WASTEWATER FUND (continued)

### Cost of Administrative Services

There are several departments which provide overall administrative services for the City as a whole. These departments include the City Council, Mayor's Office, Finance, Human Resources, City Attorney, Community Development, Treasury, City Recorder, Information Technology (IT), and Geographic Information Systems (GIS).

A cost study was performed in 2012 that evaluated the administrative service level demands. This study calculated a percentage of the cost of service that should be charged to each of the enterprise funds. The percentage of the cost of administrative services that is applicable to the Wastewater Fund is 6.00%.

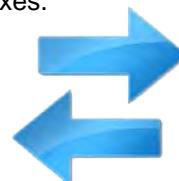

The actual cost for service is calculated each month and is based on the actual expenses of the administrative departments.

### Transfers to the General Fund

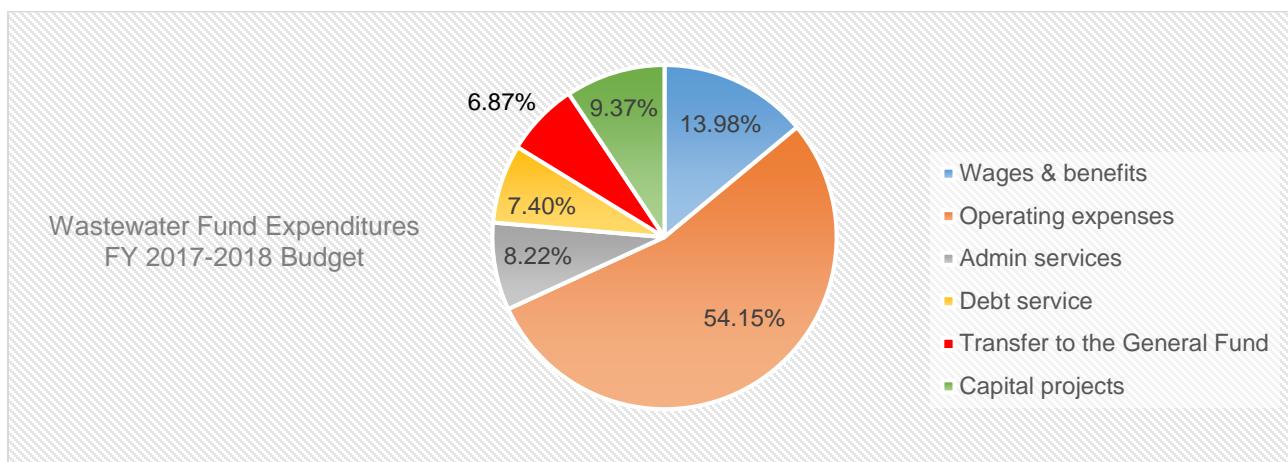

The purpose of the transfer of funds from the enterprise funds to the General Fund is to help cover the costs of important services like police, fire, emergency medical services, street maintenance, snow removal, parks, and similar City services.

Where private sector utility companies are in the business to provide a return on investment to its shareholders, Murray City shareholders (taxpayers and citizens) receive this return on investment as a transfer to the General Fund intended to subsidize services which would otherwise require an increase in property taxes.

The transfer is calculated on budgeted revenues for each of the enterprise funds. This method was chosen in that there is less fluctuation due to possible capital outlay demands. The actual transfer is calculated at the end of each month, and is based on the actual revenue of the specific enterprise fund. The budgeted transfer will be calculated at 8.16% of total revenues for fiscal year 2017-2018.

While the City has chosen this calculation method, Utah Code §10-6-135.5 requires the City report this transfer as a percentage of total expenditures. The transfer amount budgeted in fiscal year 2017-2018 is \$366,511, or 6.87% of the total expenditures of the Wastewater Fund.

## WASTEWATER FUND (continued)

### Budget and Financial History

The following represents the budget and financial history for the Wastewater Fund. There was no rate increase projected for this fiscal year.

		Prior Year Actual FY 15-16	Adopted Budget FY 16-17	Estimated Actual FY 16-17	Adopted Budget FY 17-18

## POWER FUND

The City's Power Fund is used to account for the activities of the City's power system. This system provides service to approximately 14,688 residential users and 3,179 commercial users. The City purchases approximately 97% and is able to generate approximately 3% of the power needed to maintain the City's demands. Peak demand is 102,460 KW.

### Capital Projects

A capital project is a project that helps maintain or improve a City asset. In order to qualify as a capital project, it must be either a new construction, expansion, renovation, or replacement for an existing facility or facilities.

The following capital projects have been included in the budget for fiscal year 2017-2018.

Office, shops & yards	\$ 90,000
New construction	270,000
New SCADA and OMS systems	155,000
Transformers	180,000
LED streetlights	30,000
Vehicle replacement	460,000
<b>Total Capital Projects</b>	<b>\$ 1,185,000</b>

### Cost of Administrative Services

There are several departments which provide overall administrative services for the City as a whole. These departments include the City Council, Mayor's Office, Finance, Human Resources, City Attorney, Community Development, Treasury, City Recorder, Information Technology (IT), and Geographic Information Systems (GIS).

A cost study was performed in 2012 that evaluated the administrative service level demands. This study calculated a percentage of the cost of service that should be charged to each of the enterprise funds. The percentage of the cost of administrative services that is applicable to the Power Fund is 27.00%.

The actual cost for service is calculated each month and is based on the actual expenses of the administrative departments.

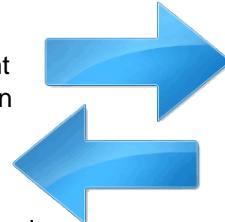

## POWER FUND (continued)

### Transfers to the General Fund

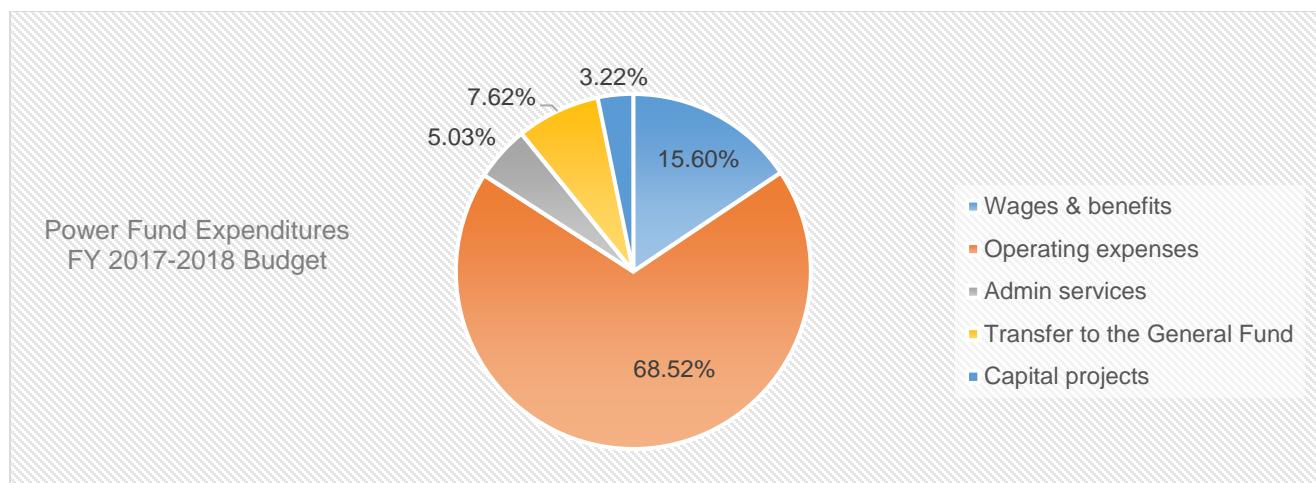

The purpose of the transfer of funds from the enterprise funds to the General Fund is to help cover the costs of important services like police, fire, emergency medical services, street maintenance, snow removal, parks, and similar City services.

Where private sector utility companies are in the business to provide a return on investment to its shareholders, Murray City shareholders (taxpayers and citizens) receive this return on investment as a transfer to the General Fund intended to subsidize services which would otherwise require an increase in property taxes.

The transfer is calculated on budgeted revenues for each of the enterprise funds. This method was chosen in that there is less fluctuation due to possible capital outlay demands. The actual transfer is calculated at the end of each month, and is based on the actual revenue of the specific enterprise fund. The budgeted transfer will be calculated at 7.61% of total revenues for fiscal year 2017-2018.

While the City has chosen this calculation method, Utah Code §10-6-135.5 requires the City report this transfer as a percentage of total expenditures. The transfer amount budgeted in fiscal year 2017-2018 is \$2,802,663, or 7.62% of the total expenditures of the Power Fund.

## POWER FUND (continued)

Budget and Financial History

## MURRAY PARKWAY FUND

The Murray Parkway fund is used to account for the activities of the City's golf course. The 18-hole course at Murray Parkway Golf Course features 6,900 yards of golf from the longest tees for a par of 72. The course rating is 71.3 and it has a slope rating of 120 on blue grass. Murray Parkway Golf Course opened in 1986, and was designed by Robert Muir Graves.

Golf courses around the nation have been experiencing lower green fees due to a reduced number of golfers. The Murray Parkway has experienced this same trend and is working to make the course more attractive to players and to generate an increased interest in the sport with the next generation.

	<b>7.00</b>	<b>7.00</b>	<b>7.00</b>

### Capital Projects

There are no capital projects included in the budget for this fiscal year. In FY 2017, the Parkway Fund and the City made a large investment in the golf course to improve and replace the sprinkler system.

## MURRAY PARKWAY FUND (continued)

### Cost of Administrative Services

There are several departments which provide overall administrative services for the City as a whole. These departments include the City Council, Mayor's Office, Finance, Human Resources, City Attorney, Community Development, Treasury, City Recorder, Information Technology (IT), and Geographic Information Systems (GIS).

A cost study was performed in 2012 that evaluated the administrative service level demands. This study calculated a percentage of the cost of service that should be charged to each of the enterprise funds. Due to the financial state of this fund, no cost of administrative services has been budgeted for this fiscal year.

### Transfers to the General Fund

Due to the financial state of this fund, no transfers have been budgeted for this fiscal year.

### Budget and Financial History

## TELECOM FUND

The City's Telecom Fund is used to account for the activities of the UTOPIA fiber connection fees. Since the activity of this fund is strictly a pass-through to another interlocal agency, there is only a budget and financial history. There is no staffing, capital projects, costs for administrative services, or transfer to the General Fund.

## SOLID WASTE FUND

The City's Solid Waste Fund is used to account for the activities of the City's garbage collection and recycling program. The current service contractor for most of the City is Ace Disposal. Some areas are served by Wasatch Front Waste & Recycling District. The City owns the garbage and recycling containers and contracts for collection services.

Services include curbside garbage and recycling collection, neighborhood clean-up programs, green waste recycling, household hazardous waste collection, wood landscaping chips, leaf drop sites, Christmas tree recycling, and glass recycling. Murray City is a joint-venture partner in the Trans-Jordan Landfill.

<i>Fund Balance as a % of current yr revenues</i>	25.28%	20.85%	25.87%	19.16%

### Staffing

The City's Solid Waste Fund has 2.0 full-time equivalent personnel. There were staffing no changes in the approved budget.

	<b>FY 2016 Actual</b>	<b>FY 2017 Actual</b>	<b>FY 2018 Budget</b>
Maintenance worker	1.00	2.00	2.00
Seasonal	0.50	-	-
	<b>1.50</b>	<b>2.00</b>	<b>2.00</b>

### Capital Projects

A capital project is a project that helps maintain or improve a City asset. In order to qualify as a capital project, it must be either a new construction, expansion, renovation, or replacement for an existing facility or facilities.

The following capital project has been included in the budget for fiscal year 2017-2018.

Can replacement \$ 35,000

## SOLID WASTE FUND (continued)

### Cost of Administrative Services

There are several departments which provide overall administrative services for the City as a whole. These departments include the City Council, Mayor's Office, Finance, Human Resources, City Attorney, Community Development, Treasury, City Recorder, Information Technology (IT), and Geographic Information Systems (GIS).

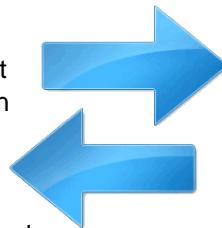

A cost study was performed in 2012 that evaluated the administrative service level demands. This study calculated a percentage of the cost of service that should be charged to each of the enterprise funds. The percentage of the cost of administrative services that is applicable to the Solid Waste Fund is 1.51%.

The actual cost for service is calculated each month and is based on the actual expenses of the administrative departments.

### Transfers to the General Fund

The purpose of the transfer of funds from the enterprise funds to the General Fund is to help cover the costs of important services like police, fire, emergency medical services, street maintenance, snow removal, parks, and similar City services.

Where private sector utility companies are in the business to provide a return on investment to its shareholders, Murray City shareholders (taxpayers and citizens) receive this return on investment as a transfer to the General Fund intended to subsidize services which would otherwise require an increase in property taxes.

The transfer is calculated on budgeted revenues for each of the enterprise funds. This method was chosen in that there is less fluctuation due to possible capital outlay demands. The actual transfer is calculated at the end of each month, and is based on the actual revenue of the specific enterprise fund. The budgeted transfer will be calculated at 6.69% of total revenues for fiscal year 2017-2018.

While the City has chosen this calculation method, Utah Code §10-6-135.5 requires the City report this transfer as a percentage of total expenditures. The transfer amount budgeted in fiscal year 2017-2018 is \$118,766, or 6.94% of the total expenditures of the Solid Waste Fund.

### Budget and Financial History

A small rate increase will be effective on January 1, 2018. Below is the rate history for the past 3 budget years.

	<i>Effective</i> 2/1/2016	<i>Effective</i> 1/1/2017	<i>Effective</i> 1/1/2018
<i>Base Rate</i>	\$ 13.00	\$ 13.50	\$ 14.00
<i>Add'l Can(s)</i>	\$ 8.00	\$ 8.15	\$ 8.25

The following represents the budget and financial history for the Solid Waste Fund.

## STORM WATER FUND

The City's Storm Water Fund is used to account for the activities of the City's storm water system.

On July 1, 2006, Murray City implemented a storm water utility to pay for the costs associated with the collection and management of the city-wide storm drain system. This includes street sweeping, storm drain cleaning, maintenance, repairs, upgrades, and capital improvements throughout the system.

The utility also funds a management program mandated by Federal and State agencies which require increased water quality and quantity controls to mitigate the impact of pollutants that may be discharged from the City drainage system into nearby rivers and streams.

### Staffing

The City's Storm Water Fund has 8.0 full-time equivalent personnel. There were staffing no changes in the approved budget.

Position	<b>FY 2016</b>	<b>FY 2017</b>	<b>FY 2018</b>
	<b>Actual</b>	<b>Actual</b>	<b>Budget</b>
Storm Water Superintendent	1.00	1.00	0.00
Storm Water Supervisor	1.00	1.00	1.00
Leadworker	1.00	1.00	1.00
Storm Water Compliance Inspector	1.00	1.00	1.00
Equipment Operator	2.00	2.00	2.00
Maintenance Worker	3.00	3.00	3.00
	<b>9.00</b>	<b>9.00</b>	<b>8.00</b>

### Capital Projects

A capital project is a project that helps maintain or improve a City asset. In order to qualify as a capital project, it must be either a new construction, expansion, renovation, or replacement for an existing facility or facilities.

The following capital project has been included in the budget for fiscal year 2017-2018.

Street sweeper	\$ 285,000
----------------	------------

## STORM WATER FUND (continued)

### Cost of Administrative Services

There are several departments which provide overall administrative services for the City as a whole. These departments include the City Council, Mayor's Office, Finance, Human Resources, City Attorney, Community Development, Treasury, City Recorder, Information Technology (IT), and Geographic Information Systems (GIS).

A cost study was performed in 2012 that evaluated the administrative service level demands. This study calculated a percentage of the cost of service that should be charged to each of the enterprise funds. The percentage of the cost of administrative services that is applicable to the Storm Water Fund is 1.51%.

The actual cost for service is calculated each month and is based on the actual expenses of the administrative departments.

### Transfers to the General Fund

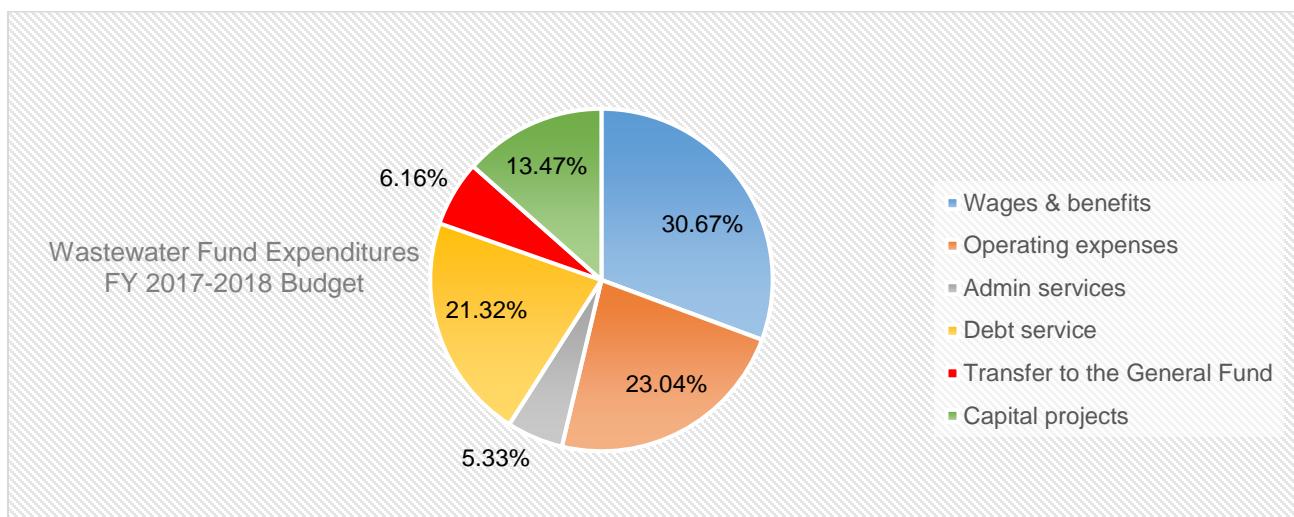

The purpose of the transfer of funds from the enterprise funds to the General Fund is to help cover the costs of important services like police, fire, emergency medical services, street maintenance, snow removal, parks, and similar City services.

Where private sector utility companies are in the business to provide a return on investment to its shareholders, Murray City shareholders (taxpayers and citizens) receive this return on investment as a transfer to the General Fund intended to subsidize services which would otherwise require an increase in property taxes.

The transfer is calculated on budgeted revenues for each of the enterprise funds. This method was chosen in that there is less fluctuation due to possible capital outlay demands. The actual transfer is calculated at the end of each month, and is based on the actual revenue of the specific enterprise fund. The budgeted transfer will be calculated at 7.12% of total revenues for fiscal year 2017-2018.

While the City has chosen this calculation method, Utah Code §10-6-135.5 requires the City report this transfer as a percentage of total expenditures. The transfer amount budgeted in fiscal year 2017-2018 is \$130,425, or 6.16% of the total expenditures of the Storm Water Fund.
